# ***THANK YOU FOR YOUR SUPPORT***

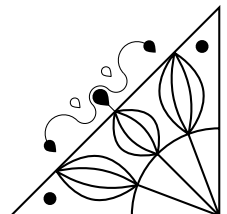

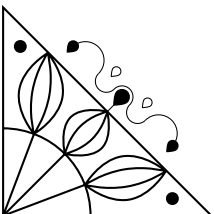

The dedicated volunteers of the Winnetka Board  
thank you for your support of our event:

## ***A NIGHT OF WINNING***

We hope you have a great evening, celebrating  
the Northwestern Settlement and also our  
Winnetka Board existing 100 years! We are all so  
grateful to celebrate this milestone, surrounded  
by our friends and supporting the Northwestern  
Settlement with us tonight. Thanks to your  
generosity, many more children will receive the  
educational experience and support they need,  
which lays the odds for their winning future.

And our future!

Lieke Hakkenberg  
*President, Winnetka Board of the  
Northwestern Settlement*

# ***PADDLE RAISE DONOR LEVELS***

## **\$25,000**

Would provide one full year of Early Childhood Education for 1 child receiving the gold standard kindergarten readiness education. Early Childhood Education is a critical aspect of developmental growth.

## **\$10,000**

Would fund 4 field trips for 100 students per year. This includes bus transportation, admission fees, and curriculum related material. Field trips are generally a good motivator and are fun for the students. All lessons learned from a trip provide information on a subject in a real- world context that cannot be duplicated in the conventional classroom.

## **\$6,000**

Would pay for one year of out-of-school time programming for one Rowe Scholar. Studies show that when students are engaged in out-of-school time activities, had lower drop-out rates than those of their peers who did not participate in out-of-school programming.

## **\$1,000**

Would provide classroom art enrichment supplies for a year: paper, paints, markers, glue, scissors, beads, modeling clay, pottery clay, etc. Art helps a student improve skills such as small motor, self-control, patience, and creativity while offering a sense of accomplishment.

**\$800**

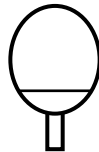

Would sponsor one student attending the educational rite of passage 8th grade trip to Washington, DC. 2024 marks the second year in the history of Rowe Middle School that scholars will have the opportunity to participate in this life-changing experience.

**\$300**

Would provide one student with one month of individual therapy to provide them with the necessary support needed to heal through emotional trauma that may be causing learning barriers.

**\$100**

Would cover supplies for 2 little scholars preparing for kindergarten. The Pre-K program helps students learn to identify colors, shapes, numbers, and the alphabet. It also encourages interactive play which helps develop their social skills and ability to function independently.
